

**All Saints Catholic School Chess Club
Information/Permission form**

All Saints Catholic School St. Mary's campus Chess Club will begin on Thursday, Jan. 12, 2012. Beginning players in 1st, 2nd and 3rd grade are invited to join. Chess club players will learn how the pieces move, how to play a game, and basic chess principles and chess strategy. The season will last 7 weeks.

Chess Club will meet weekly, on Thursday, after school in the St. Mary's campus library from 2:40 p.m. until 3:30 p.m. Ed Rudnicki will be teaching the chess club again this year. Parent volunteers willing to help teach or supervise are welcome. (Parents volunteers need to have been approved to volunteer at All Saints Catholic School.)

Why should your child take time to learn to play chess? Playing chess teaches critical and abstract thinking, planning, logic and analysis. Your child may improve his or her ability to concentrate.

If you would like more information, please contact Ed Rudnicki at 942-0054.

**Please return permission forms to the St. Mary's campus office as soon,
as possible as space is limited.**
